Aims:

- **Enhance the quality of Ayurveda education:** To ensure the delivery of high-quality education that meets the evolving needs of the healthcare sector and the community.
- **Promote academic excellence:** To foster a culture of academic excellence among students and faculty, encouraging continuous learning and research.
- **Student-centric approach:** To prioritize student learning and development by creating a supportive and conducive learning environment.
- **Curriculum development and review:** To regularly review and update the curriculum to incorporate the latest advancements in Ayurveda and align with national and international standards.
- **Faculty development:** To enhance the teaching and research skills of faculty members through workshops, seminars, and other professional development programs.

Objectives:

- **Develop and implement effective teaching-learning methodologies:** To explore and implement innovative teaching methods such as interactive lectures, case-based learning, problem-based learning, and technology-enabled learning.
- **Conduct regular assessments and evaluations:** To conduct timely and effective assessments of student learning outcomes and provide constructive feedback to students and faculty.
- **Promote research and innovation:** To encourage and support faculty and student research activities in Ayurveda, including clinical research, basic research, and translational research.
- **Foster a conducive learning environment:** To create a positive and supportive learning environment that encourages student engagement, critical thinking, and self-directed learning.
- **Collaborate with external stakeholders:** To collaborate with other academic institutions, research organizations, and healthcare providers to enhance the quality of Ayurveda education.
- **Address student concerns and grievances:** To provide a platform for students to voice their concerns and grievances related to academics and address them promptly and effectively.
